ScheduleInterpreter.com, Inc.

ScheduleInterpreter.com, Inc. provides hospitals and healthcare systems with access to ScheduleInterpreter℠ Medical Edition. ScheduleInterpreter℠ Medical Edition enables hospitals' administration to schedule and manage foreign and American Sign Language (ASL) interpreters using simple and intuitive set of tools. Some of the features of ScheduleInterpreter℠ Medical Edition:

- Cloud-based – no IT support is required;
- Established workflow – polished step-by-step procedures are supported by ScheduleInterpreter℠ Medical Edition, minimize time required to train personnel and avoid common errors;
- 100% paperless – all documentation and paperwork is stored electronically;
- Proven industry record – based on technology utilized in healthcare, legal and enterprise environments for more than 10 years;
- Joint Commission Compliance Framework – ultimate solution for any hospital to be in compliance with new JC standards;
- Unlimited number of accounts, users and interpreters;
- Time tracking with export to MS Excel and Kronos applications;
- Seamless integration with GE/IDX, EPIC, Cerner, Siemens and other Practice Management Systems – allows automatic scheduling by healthcare providers of all interpreters without data re-keying;
- Automatic e-mail notifications for all parties involved in the process;
- Meets all HIPAA and EHR/EMR requirements and standards;
