We are pleased to announce funding from The California Endowment in support of the Eighth National Conference on Quality Health Care for Culturally Diverse Populations!

Planning is underway for an event to be held early 2013 in Northern California. Further details about the conference will be posted here once the venue and dates have been finalized. Stay tuned!

- To learn about the full conference series and to view presentation abstracts from the 2010 conference visit the DiversityRx Conference website [1].
- To get updates about the Conference, please e-mail us at conference@diversityrx.org, [2]

Interested in sponsoring the DiversityRx 2013 Conference? Learn how your organization can partner with DiversityRx as we launch the 2013 Conference, [3]
