

Ethnomed Website: Four Star Resource

Organization: Harborview Medical Center

Published Date: 2012

[EthnoMed](#) [1]

EthnoMed contains information about cultural beliefs, medical issues and related topics pertinent to the health care of immigrants to Seattle or the US, many of whom are refugees fleeing war-torn parts of the world. Its own large database is a collection of resources and information related to cross-cultural and refugee health topics, including refugee screening. It contains links to resources available in languages other than English.

- **Target Population:** [African American or Black](#) [2], [American Indian or Alaska Native](#) [3], [Asian American](#) [4], [Hispanic/Latino](#) [5], [Multicultural/Mixed Populations](#) [6], [Native Hawaiian or Pacific Islander](#) [7], [White](#) [8]
