Author: Mitchell, Suzanne
Published Date: 2008

This book features a curriculum for residencies and medical schools looking to implement new, or enhance existing, curricula in culturally responsive care. It meticulously describes teaching strategies that will prove engaging to learners and faculty alike, challenging them to grow in their attitudes, awareness, desire, knowledge and skills to effectively practice culturally responsive medicine. The manual includes a step-by-step guide for each year of the curriculum, with detailed session descriptions, and sections on teaching techniques, evaluation tools, cultural competence exercises, together with information on further resources.
