

# Questions Are the Answer

**Organization:** Agency for Healthcare Quality and Research (AHRQ)

<http://www.ahrq.gov/questionsaretheanswer/> [1]

This project out of AHRQ is designed to help patients improve the care provided to them by their clinicians by taking an active role and asking questions. This website includes videos, resources, a glossary of medical terms, tips and lists of questions that patients should ask their providers before any medical procedure. This website and public service advertisement campaign is a useful tool that advocates and health care providers could translate and disseminate to help their LEP clients improve communication with their clinicians.

- **Topic Areas:** [Patient Education and Support](#) [2], [Patient Safety](#) [3], [Culturally Competent Care](#) [4]
